## INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97

Attached is a Form PTO-1449 listing several documents that were first cited in the International Search Report for the corresponding International Application Number PCT/IB2005/000581 not more than three months prior to the filing of this Statement. In this regard, Applicant notes that the International Search Report was not received by any individual designated by 37 CFR 1.56(c) more than thirty (30) days prior to the filing of this Information Disclosure Statement.

The Search Report is enclosed along with any cited foreign patent documents and nonpatent literature documents in accordance with 37 CFR 1.98(a)(2).

It is requested that the Examiner consider these documents and officially make them of record in accordance with the provisions of 37 C.F.R. § 1.97 and Section 609 of the MPEP. By identifying the listed documents, Applicant in no way makes any admission as to the prior art status of the listed documents, but is instead identifying the listed documents for the sake of full disclosure.

Respectfully submitted,

Andrew T. Spence
